**Thank you for your interest in Culver City Christian School! It is our privilege to serve the community, and we would like to share with you a little about what makes this a special place to learn and grow.**

**We want to impact the hearts of children with the reality of a personal relationship with God through the Gospel of Jesus Christ and have this relationship will empower and transform their lives to fulfill the purpose He has for them. We want each child to grow spiritually, intellectually, physically, and socially.**

**We do this by using the A Beka curriculum. It is an advanced, phonics based educational program that provides our students with a solid foundation for academic success in their further educational endeavors. We enhance this curriculum even further with Library, Physical Education, Music Theory, Singing, Computer and extra- curricular classes.**

**We are committed to providing "Christian Education with Academic Excellence" and would like your family to join our family.**

**Sincerely,  
CCCS Family**
